**RE: Move from In-Person Classes to Supported Home Study**

---

**In-Person Classes at the Discovery Centre are suspended until further notice in compliance with Public Health Measures pertaining to the Covid-19 Pandemic.**

To help students continue with their studies, we are returning to our Supported Home Study program. Students will continue to work on their individual courses at home with distance support measures from the school. Contactless drop off and pick up of materials will be arranged, **by appointment only**, for students needing new materials.

**Please only come to the school at your designated appointment time IF:**

- **you have not travelled outside of the country yourself in the past 14 days;**
- **you have not been exposed to anyone who has travelled internationally in the last 14 days;**
- **you have not been in contact with persons who may have been exposed to the Covid-19 virus;**
- **you are symptom free.**
- **you have not been advised to isolate**

If you require assistance with your coursework, you may speak to an instructor by calling the school at (709) 726-3500 (St. John's), (709) 596-0870 (Hr, Grace), (709) 466-6080 (Clareville) or by emailing your instructor directly.

Note: New applications for enrollment are still being accepted. Contact your local site for more information and assistance or email [info@discoverycentre.nf.ca](mailto:info@discoverycentre.nf.ca) .

Further information will be communicated as it becomes available.
